

## Atom Man (原始人間)(14)

- 1) Robot Tarō's plane is hit by the atomic ray and spirals down, down, down.  
Below is the ocean. ZIP!
- 2) SPLOOSH! The plane falls into the light blue ocean and all is still. It bobs in the ocean with only the tail of the plane sticking out above the surface. Blackbird seeing this, says to his henchmen...
- 3) "That guy in the plane is sure to be dead. I wonder who he was? Go and have a look." "Yes, understood!" (the henchmen reply).
- 4) Three masked henchmen get into a motorboat and set off to where the plane is. But, when they pull close to have a look, a black something or other begins to emerge from the plane.
- 5) (The henchmen remark), "Oh, what's that?" "Mr. Bird said that whatever was in the plane should not be alive anymore – it's moving!" "BEEP, BOOP, BEEP, now it's moving, it's alive and kicking! It's coming towards you!"
- 6) ZIP! "BEEP, BOOP, BEEP, I am Mr. Robot Tarō! Well, come 'ere you hooded baddies!" (challenges Robot Tarō). Then...
- 7) Robot Tarō jumps into the hooded henchmen's boat, there's a big commotion. "BEEP, BOOP! Yar!" (goes Robot Tarō). "Waaah!" "ZING" "Groan!" (go the henchmen). And with that the hooded henchmen are vanquished.
- 8) Blackbird begins to descend from the high tower. "Let me go and see the dead body of the guy who was piloting the plane!" "Oh! The boat is on its way back, but I don't see anybody in it!" "What's that little black thing over there?" (Blackbird thinks to himself)...

- 9) Blackbird runs up to the motorboat. “BEEP, BOOP, BEEP! Hello - I, Robot Tarō, the friend of the superhero Gamma have come to vanquish you! Even the atomic ray cannot harm me!” (declares Robot Tarō).
- 10) A shocked Blackbird decides to run back to his lair. “Wait! BEEP, BOOP!” (commands Robot Tarō). “Somebody come, a robot is chasing after me!” (yells Blackbird).
- 11) (Two henchmen upon seeing this remark), “Oh no, Mr. Bird is in trouble! Let’s take this machine gun and shoot the robot!” And with that they pull the trigger. “RAT-TAT-TAT...!”
- 12) “RAT-TAT-TAT!” “BEEP, BOOP, B, BEEP, BOOP! These bullets are no sweat! Time for me to clear this island of its baddies!” (declares Robot Tarō)  
And then...
