

The Mysterious Castle in the Sky (空中魔城) (11)

- 1) “GAR, GAR, GARRR” growls Garr. He draws closer to Gamma’s hideout.
Closer, closer...
- 2) Just then, Robot Tarō returns. “BEEP, BOOP, BEEP. What a strange creature. What are you?” asks Robot Tarō inquisitively. “GARRR, GA-” growls Garr, as he grabs Robot Tarō.
- 3) “GARRR!” roars the monster. “Ah, grabbing me so suddenly, how rude! Well, I will have to let him have it,” thinks Robot Tarō.
- 4) “BEEP, BOOP, BEEP,” beeps Robot Tarō, as he lifts the monster clear above his head. “Well, now to finish him off! Take that!”
- 5) He throws the monster over the cliff. As he does so, there is a large “BANG!” and a “HISS!” A cloud of white smoke begins to billow up from the depths, and the monster seems to have disappeared into thin air. After the struggle...
- 6) ...Robot Tarō finds what appears to be a single leaf that has fallen from the body of the beast. Robot Tarō thinks to himself, “Well, let me take this, and head back to Gamma’s stronghold.”
- 7) Robot Tarō makes it back to Gamma’s hideout. “Well done, well done. Did you pull this off the body of the monster? Hmm, it seems to be either some sort of weed, or it could come from a tree,” ponders Gamma to himself. “Well, what about the photos of the Mysterious Castle in the Sky?” Gamma asks Robot Tarō. “BEEP, BOOP, BEEP,” replies Robot Tarō.
- 8) Gamma looks at the photos Robot Tarō has taken of the Mysterious Castle in the Sky with the camera mounted in his chest. Gamma analyzes the photos. “This is

something very important. You've done a good job Tarō. Very great indeed."

Just then...

- 9) "ZIP!" "GA-, GA-, GARRR!" Garr, who escaped Robot Tarō in a white cloud of smoke returns to the Mysterious Castle in the Sky.
- 10) Grand Eye's image pears out from a television display in the depths of the Mysterious Castle. "You, Garr! You have failed me, haven't you? You were vanquished by Gamma, weren't you?" yells the Grand Eye. "You Gamma, I am coming for you!"

Well then...
