

The Mysterious Castle in the Sky (空中魔城) (13)

- 1) “ZIP! WHIZZ! RUMBLE! GA-, GA-, GA-” The giant monster Garrr appears in front of Gamma’s plane...
- 2) Garrr reaches for the plane, intent on smashing it from of the sky, but Gamma maneuvers his plane hither and thither skillfully, and manages to escape.
- 3) “You impudent monster! Well, I’m going to shoot you with my machine guns!” yells Gamma menacingly. Gamma reverses direction and flies his plane directly at the monster.
- 4) RAT-A-TAT-TAT! “GARRR!” No matter how many times he is shot, the monster does not budge. “GARRR, GARRR!” roars the monster...
- 5) As he continues to bellow, the monster flies off at an amazing speed.
- 6) Gamma quickly contacts the Japanese defense force by radio transmitter. “BUZZ, CRACKLE. I just came across a very large flying monster, but the monster has managed to escape. If you don’t stay on the alert, Japan will be in grave danger,” warns Gamma.
- 7) The members of the defense force receive the message and discuss the matter. “Mr. Gamma has informed us of this matter, but can it be true?” asks one skeptical official. “It is true! Anyhow, we need to broadcast an emergency warning,” insists the other official.
- 8) In the big city an emergency alert group is made ready. The city defense group is searching the skies with a spotlight, waiting for the big monster’s coming attack. Just then...

9) “Oh... There! He’s here!” “He’s huge. He’s so high up. Oh, he’s gradually descending,” yell the guards with much fear and excitement. “FIRE!”

10) BOOM, BOOM, POW! “GA-, GA-, GARRR,” roars Garrr. The monster from the sky castle has finally come to attack Japan.

And then...
