

The Mysterious Castle in the Sky (空中魔城) (14)

- 1) BOOM! BOOM! POW! The shells fired by the city defense group hit the flying monster Garrr, but they have no effect on him.
- 2) ZIP! BOOM, BOOM! “GA-, GA-, GARRR,” roars Garrr. The monster comes flying at the defenders at full speed. The surprising thing is...
- 3) Garrr is heading straight for the defenders on the roof manning the anti-aircraft guns. “Argh! Oh no! The monster is heading for us!” “Run away! Watch out!” scream the defenders, just as...
- 4) KABOOM! BOOM! The monster slams into the building. A giant firestorm erupts. The defenders, the anti-aircraft guns and the building are destroyed.
- 5) Only the monster escapes without a scratch. The monster rises up from the billowing cloud of smoke and flies off into the night sky.
- 6) At the city defense headquarters the officials are discussing the latest event. “Ah, terrible! Anyway, we must send out our jet formations to shoot down the monster. Make Number 1 Formation ready for the attack,” orders the commander.
- 7) ZIP! ZOOM! ZIP! The Number 1 Formation chases after Garrr, carrying enough bombs to shake the heavens. However...
- 8) ... even though they try to catch up to the monster... “GA-, GA-, GA-” KABOOM! BOOM! ZIP! The planes attack from all directions. Garrr grabs the planes and snaps them. Right then...
- 9) ZIP! SCREECH! A jet carrying Gamma zooms in, aiming for the monster.

10) “Hey Tarō, vanquishing the monster is up to us – we’re the only ones who can do it. I’m relying on you,” says Gamma. “BEEP, BOOP, I will go and finish him off,” promises the little robot. They fly full speed, straight at the monster.

And then...
